1. INTRODUCTION

FidNos Corporation, is a technology-driven company that delivers state of the art Training, Evaluation, Management Consultancy and IT service solutions for businesses & Educational targeting consumers on local to global scales. During the years of successful work and dynamic development, we have developed our own principles, based on constantly refined system of customer service, extensive network, highly skilled staff and focus on business requirement of our partners.

FidNos Corporation provides unique business profit and performance improvement services to the managing officers and corporate companies. We make possible levels of corporate transformation that are an order of magnitude greater and faster than are obtainable by traditional means. We created a truly unique, and uniquely successful, technology / methodology for our work. It identifies and measures the root causes of performance and triggers changes in them. We work with senior management and act as catalysts in their improvement of their company. This is something entirely unique to our practice. Our consultants are all accomplished corporate diagnosticians, business catalysts and fierce advocates for the success of our clients

2. OUR MISSION & VISION

Our Mission is to achieve the reputation of a quality, high standard & reliable solution & service Provider Company in the Corporate.

Our Vision is to achieve 100% customer satisfaction by delivering quality products and services at an affordable cost. Our forward vision is to strive to become an entity in technology based corporate solutions, capable of demanding unconditional response from the targeted niche. We also believe that for our scope of improvisation – sky is the limit and we are always ready to take our achievements to the next level. We are growing and would always like to remain on the growing streak.

Our keys for development:

- Desire for Excellence
- Trust and confidence build-up
- Innovation
- Transparency
- Teamwork

We believe in

- Motivation
- Collective responsibility and leadership
- Professionalism and ethics
- Adding values to our client needs

■ TRAINING & EVALUATION

In an ever changing and fast paced corporate world, training and development is an indispensable function.

Training and development is one of the lowest things on the priority list of most companies. When it's organized, it is often at the persistence of the human resources department. There is, however, enormous value in organizing proper training and development sessions for employees. Training allows employees to acquire new skills, sharpen existing ones, perform better, increase productivity and be better leaders. Since a company is the sum total of what employees achieve individually, organizations should do everything in their power to ensure that employees perform at their peak.

FidNos is offering professional trainings courses in more than 40 different course in association with local and international business associates, we have offered many public courses at very low prices in association with world leading organizations and institutions to build a strong force of Management, quality, Environmental and OHSAS, IT & Pharmaceutical professionals in the country.

We offer those training to corporate professional which are unique and most beneficial because;

Creativity and Quality is our Symbol. we do out of the box

■ ISO & OHSAS CERTIFICATION

We provide an authoritative, comprehensive and value added consulting, training and certification services for either new certification with respect to ISO 9001:2015 or helping organizations migrate from ISO new standards.

We also provide a complete set of consulting services to help your organization identify requirements as per ISO new standard and map the compliance requirements as per ISO revision to your current processes.

Start your ISO 9001:2015 certification journey with us today in the most effective manner. Contact us to get started with

- ISO 9001 revision
- ISO 9001 up gradation
- ISO 9001:2015 certification
- ISO 14001
- OHSAS 18001

7. PROFESSIONAL AFFILIATION

FidNos Corporation is proudly affiliated with following local & internationally reputed companies & organizations:

MEMBER

PECB Inc. is a personnel certification body for various standards, including ISO 9001, ISO 14001, ISO/IEC 20000, ISO/IEC 27001, ISO/IEC 27005, ISO 22301, ISO 26000, ISO 22000, OHSAS 18001 and ISO 28000.

PECB mission is to provide our clients comprehensive examination and certification services for individuals. Certification represents the intersection of protection of the public, fairness to candidates, and often, various interests of the profession. Although these may appear to be competing interests, a well-designed certification program will be most effective in meeting these interests when its resources are deployed to enhance validity and reliability. The guidance that follows in our Quality Manual is intended to ensure that PECB develops, maintains and improves a high quality recognized certification program.
